

B/A EXCLUSIVE 6 & 10 TON SNATCH BLOCKS

Have you ever needed a block stronger than 4 Tons but 8 Tons was too much? Or needed something stronger than an 8 Ton block but just didn't need a full 12 Tons? Now you can get just what you need!

With the Skookum® brand of lightweight Snatch Blocks from B/A you have more options than ever before!

B/A is proud to exclusively offer you both 6 and 10 Ton high quality snatch blocks to fit your needs. We also offer them in the original 15 Ton size for any of those larger job size requirements that may come along.

If you need it - we've got you covered.

- High quality bronze bushings and latched swivel hooks come as standard equipment
- Engineered specifically to be used interchangeably with either Wire or Synthetic Winch Lines
- Innovative lightweight hook combines a custom high strength alloy with a low profile design, creating a tremendous weight to strength ratio
- 4:1 Design Factor
- ASME B30.26 Compliant
